

STIC Multimedia Contest Information

Expectations and Guidelines:

- In order to be classified as a multimedia project, entries should include two or more of the following features:
 1. Text
 2. Graphics
 3. Animation
 4. Audio and / or video
- Sponsors may submit up to 2 entries for the Multimedia Contest per grade level categories.
- **Lead sponsoring teacher must be a member of VSTE.**
- Grade level categories are Pre-Kindergarten-2, 3-5, 6-8, 9-12
- One winner will be selected per grade level category.
- **Individual and group entries will be accepted, but groups are limited to 5 students.**
- **Only students attending schools in the state of Virginia are eligible to participate in this contest.**
- All entries must have been completed between August 2010 and October 15, 2011.
- Approved Software Packages include, but are not limited to the following: Pixie, Photostory, PowerPoint, Windows Movie Maker, iMovie, KidPix, or Keynote.
- Entries may be submitted on a USB flash drive, DVD, or CD. Entries will not be returned.
- All submissions must be self-extracting (contain a player).
- A completed entry form must accompany all entries and must be legible.
- If any material is copyrighted, please attach authorization for its use. Beware of copyright-complete music clips are considered copyright protected and may not be used in a winning product.
- **One free registration to the VSTE conference will be awarded to each winner's lead teacher sponsor.**
- Student winners and their teacher from each grade level category will receive a prize that will be awarded at the VSTE conference during an afternoon ceremony on Sunday, December 4, 2011.
