

**30th Annual Technology in Education Conference
December 6-8, 2015
Hotel Roanoke and Conference Center
#VSTE15
Presenter Edition**

Congratulations and thank you! You are receiving this email because you are a presenter at the upcoming Technology in Education conference. Our conference benefits so much from your willingness to share your ideas and expertise.

IMPORTANT: When you arrive at the convention center, please go directly to the VIP/Presenter Registration Booth. You DO NOT need to stand in line at the regular registration area. We will have your registration materials as well as a special presenter gift for you.

Please take a moment to check your session time and location in the online schedule:

<https://2015vsteannualconference.sched.org/>

Each presentation room will have a projector and a wired Internet connection for the presenter. Presenters are reminded that they need to bring all other cables, adapters, speakers, etc. necessary for their presentation. VSTE is providing wireless access throughout the convention center for attendee convenience.

Many presenters are willing to share their presentations and resources with their attendees. If you wish to do so, we encourage you to use the VSTE Google Plus community: <http://goo.gl/uqdRN>

We are looking forward to seeing you in Roanoke.

**Thanks to Our
Conference
Sponsors**

Conference sponsors help make the conference great! Check our our full exhibitor list and learn more about how our sponsors help at the [VSTE Conference website](#).
